FINANCIAL ASSISTANCE APPLICATION

Dear Parents:

The cost of maintaining a child at Kentwood can be a financial burden that some families are unable to fully absorb. We endeavor to assist parents through various forms of creative financing, which include:

- ✓ **Partial scholarships**
- ✓ **Extended repayment plans**
- ✓ **Loans**
- ✓ **Tax deductions**

If you believe you need assistance, please act **immediately**, and attend to the four (4) items as listed hereunder:

- 1. Complete the reverse side of this form in full and return it to us.**
- 2. Along with this form, send in a copy of your latest tax return.**
- 3. Write us a letter, advising us of any special financial circumstances relating to you.**
- 4. In the letter, indicate to us the maximum amount you feel able to contribute each month.**

It is essential that you respond to us as soon as possible, as we are required to balance our own budget. Please bear in mind that we receive limited assistance from the State and no assistance from any other Federal Agency, and are therefore restricted in the amount of financial assistance we are able to give.

PREFERENCE IS USUALLY GIVEN TO THE EARLIEST APPLICATIONS RECEIVED.

It is essential that you furnish us with all the documentation requested to enable us to consider how we may best serve you. Failure to respond in a timely manner may result in us being unable to consider your application.

We look forward to hearing from you soon.
